

ODOR CONTROL FOGGER

FOR TOTAL RELEASE FOGGING
or SPOT SPRAYING

BIG D® ODOR CONTROL FOGGERS destroy all odors in any home-size room, individual office or car that has been in a flood, a fire, a skunk encounter, or any other place that is enclosed or too small for a large electric fogging machine.

ODOR CONTROL FOGGERS are far superior to handheld aerosols for the kinds of odors that force themselves into cracks and crevasses. They eliminate cigarette odors in cars and musty smells in closed rooms. They are excellent for use in property management and auto detailing.

One 5 oz. can provides up to 6,000 cu. ft. of odor-destroying coverage.
