## Directions For Use

Read the entire label before using this product.

1. Sweep large debris and dust mop (using water-based dust mop treatment).
2. For mop-on application, dilute 1 oz./gal. or 8 mL/L (1:128) with water. For use in an automatic scrubber, dilute 2 oz./gal. or 16 mL/L (1:64) with water.
3. Damp mop or autoscrub to clean and condition the floor, and allow to dry thoroughly.
4. High-speed buff or burnish as desired using the appropriate pad.

Please consult your local solid waste agency, drain commissioner, or water quality contact for determination on appropriate disposal of unused material. Please recycle empty containers.

For chemical management systems, see specific directions on product label.

## Safety

Keep out of reach of children. For institutional and commercial use. **CAUTION:** May cause eye irritation. Contains Ethylene glycol. Harmful if swallowed. Avoid contact with skin and eyes. Wash thoroughly after handling. **FIRST AID:** If splashed in eyes or on skin, flush with large quantities of water. If swallowed, do not induce vomiting. Call a physician immediately.
