Typical Uses

- Carpet spot removal
- Spot removal on furniture

The Betco Advantage
Removes stubborn spots and stains without resoiling.

The Icebreakers

- Is your current carpet spotter CRI approved?
- Can your current carpet spotter be used on stain resistant carpets?
- Do you have separate spotters for water-based and solvent-based stains?
- Does your current carpet spotter allow stains to re-appear?

- ✓ Read product literature sheet and MSDS sheet.
- ✓ Have a quart of Spot Bet ready to demonstrate.
- ✓ Know the proper technique for spot removal (review label directions).
- ✓ Review the different types of stains Spot Bet will remove.
- ✓ Communicate that spots are more easily removed in 24 hours before they become stains.
