FLOOR CARE PRODUCTS

FLOOR CARE PRODUCTS

Hard Floor Care

Checkers has the answers to all your floor care requirements. Our complete line of product includes: finishes, strippers, equipment, green alternatives and so much more. They are infused with innovation to reduce labour costs, increase efficiencies, and provide you the ability to customize your floor care program. Outstanding performance and unmatched durability makes these products the right choice, time after time for any facility's floor.

EXTREME FLOOR STRIPPER

Developed to penetrate and remove multiple coats of burnished floor finish with a minimum of labor. Utilizing the latest in technology, this powerful professional stripper actually “unlocks” the chemical bonds of acrylic and urethane fortified floor finishes, releasing them from the floor surface. This fast acting, labor saving product requires little if any scrubbing and greatly reduces the time it takes to strip a floor. This powerful professional stripper has a lower pH than competitive formulas and requires no neutralizing or flood rinsing after use. Developed for use on resilient floors, this product is also suitable for use on most surfaces.

F4102 – 18.9 L BIB

UNTOUCHABLE FLOOR FINISH With SRT (Scuff Resistant Technology)

A low odour, black heel mark resistant floor finish that is an exceptional choice for those who want the highest gloss and wear with the least amount of labour. Untouchable® with SRT is non-scuffing, durable, detergent resistant and maintains its high gloss with minimal burnishing, a real labour saver. Suitable for use on all floors; this finish performs exceptionally well with either spray buffing or high speed buffing. Excellent leveling and low odour makes it easy to apply. Eliminates the need for aggressive cleaning pads which extends the life of the floor.

F4208 – 3.78 L Jug
(4 per case)

F4210 – 18.9 L BIB

HARD AS NAILS HARD FILM FLOOR FINISH

This floor finish utilizes highly durable internally cross-linked polymers blended to achieve a harder floor finish film. Our unique chemistry results in a high gloss, long wearing finish that cures faster than any other metal-interlock finish. The perfect labour-saving advantage for Educational and Retail facilities which have little or no time for floor burnishing. In addition, this finish resists initial scuffing and daily scuffing to further reduce floor maintenance costs. 50% harder film than other industry-leading finishes.

FLOOR CARE PRODUCTS

Hard Floor Care | Cleaners & Maintainers

PH7 DAILY CLEAN NEUTRAL FLOOR CLEANER

This mild cleaner will emulsify and suspend dirt and grime from table tops to floors; from spray bottle to autoscrubber. Safe for use on most hard surfaces. Dissolves and removes a wide variety of soils, leaving floors film free. Neutral pH - won't attack, haze, or dull floor gloss. Controlled foam - ideal for use in autoscrubbers, mop buckets and pails. Restores shine to resilient tile floors.

F4304 – 3.78 L Jug
(4 per case)

NO-RINSE FLOOR CLEANER

No-Rinse Floor Cleaner is uniquely formulated with detergents, emulsifiers, builders, and proprietary Probiotic bacteria that digest complex proteins starches and fats found in foodservice and other applications. Saves on labor because it eliminates the need to rinse, and the probiotic bacteria continues working even after the floor is dry. With regular use it improves traction resulting in a cleaner safer work environment.

F4324 – 3.78 L Jug
(4 per case)

MAD TILE & GROUT CLEANER

Concentrated blend of acids and detergents this product tackles difficult jobs. MAD will remove rust, lime, and scale from hard non-porous surfaces. MAD is designed to remove soap scum and body oils from shower stalls, restroom floors, and swimming pools. This product is also formulated to remove water minerals and lime scale deposits from surfaces. This mild acid detergent cleans and brightens aluminum, magnesium, stainless steel, copper, and chrome. It can also be used to prepare steel or aluminum for painting.

F4312 – 3.78 L Jug

The FASTDRAW® 1 is the most versatile wall mounted chemical management system. Dilute multiple products from a single dispenser for consistent cleaning and reduced costs.

Innovative docking cap design ensures reliability and consistent chemical dispensing.

Approved – American Society of Sanitary Engineers (ASSE) back flow device prevents contamination of water supply.

Simple and quick chemical change improves productivity with no cross contamination.

Safe – Spill proof design eliminates the potential for chemical contact with the cleaning staff.

Compact size easily installs above any mop sink in minutes with universal mounting holes (hardware included). Optional Mobility Adaptor (#90052-00) allows dispenser to clip onto any cleaning cart - sold separately.

Safety stop feature on selector dial prevents accidental chemical dispensing.

Versatile – Dispenses an accurate dilution of chemical for spray bottles (1 gallon per minute - gpm), mop buckets (4 gpm) or automatic scrubbers (4 gpm).

Instant docking. No priming required before use.

Large product site window for easy chemical identification by name, color and number.

Strong, durable polypropylene construction withstands the rigors of daily use.

Ideal for small or large area cleaning that requires a single versatile dispenser for filling spray bottles, mop buckets or automatic scrubbers.

FASTDRAW PRO

Durable, Versatile, Simple-to-Use

4-product locking chemical management dispenser. The durable looking exterior is matched by a robust 3-point door lock for extra protection. New 1-door design provides complete access to internal parts. Fill bottles and buckets from all bays. Can be mounted on a flat wall or save space by mounting in the corner. 2 independent flow rates (1 and 4 GPM) ensure you always get the right dilution and makes it extremely simple to fill bottles and save time filling mop buckets and automatic scrubbers.

Ideal for areas with multiple cleaning requirements.

Versatile - Able to mount in a corner or flat wall.

Locking fill button - Allows users to perform other tasks while filling.

Large sight window for quick product identification and fill level.

Intuitive selector dial allows for easy process selection.

Simple threaded bottle connection is easy to install, and check valve keeps system primed and ready for use.

Single locking door to prevent theft.

Bottle or Bucket fill from each bay.

One-hand bottle fill button design - Product immediately shuts off when button is released.

Hidden drip tray captures chemical from accidental spills

V302-14 – 18.9 L Cube

CARPET DYE

Use to restore automotive carpet, vinyl and plastic. Specially formulated to leave carpet and vinyl soft and flexible, with a permanent coating that will not crack, split, peel, or rub off.

VR28002 – 319 g. Aerosol

(12 per case)

KNOCK OUT INDUSTRIAL FALLOUT REMOVER

Knock Out effectively removes industrial fallout such as rail dust and smoke stack fly ash. This product, used with care, dissolves the minute iron particles which are imbedded in the painted surface. Knock Out is formulated with mild organic acids which are safe on glass and paint.

V306-14 – 18.9 L Cube

KWIK SHINE - AEROSOL SILICONE DRESSING

Kwik Shine instantly shines bumpers, dashboards, vinyl tops, rubber hoses, door gaskets, etc. Ideal for hard-to-wipe areas like A/C vents and gear shift boots. Hexane free. Performs equally well for interior and exterior applications.

V165-02 – 454 g. Aerosol

(12 per case)

CRYSTAL FOAM VEHICLE INTERIOR SHAMPOO AEROSOL

Crystal Foam is a unique foaming shampoo designed for use on carpets and upholstery using either: a rotary scrub, dry foam, or bonnet buff method. Crystal Foam develops a rich lather, which lifts and encapsulates soils and prevents re-depositing. The residual foam dries to a brittle crystal, which vacuums out easily. Soft on velours. Pleasantly scented. Easy to use by hand.

V212-10 – 454 g. Aerosol
(12 per case)

IMAGE GLASS CLEANER

Image is the ultimate cleaner for glass, windows, mirrors, chrome, porcelain, ceramic tiles, arborite, formica, and most plastics. Image quickly and effectively removes dirt, grime, fingerprints, smudges, grease and smoke film. Image is safe, economical and easy to use. The finished surface repels dust and dirt, producing long lasting results.
